

REMARKS

Claims 1 and 3-10 are in this application and are presented for consideration. By this amendment, Applicant has amended claims 1, 3-5, 8 and 9. Claim 2 has been canceled. Specifically the allowable features of claim 2 have been included in claims 1, 8 and 9. It is Applicant's position that claims 1, 8 and 9 are in condition for allowance as the Office Action states that claim 2 includes allowable subject matter.

Claims 1-10 have been rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which Applicant regards as the invention.

Applicant has amended the claims paying close attention to the Examiner's remarks. It is Applicant's position that the claims as now presented are clear and fully conform with the requirements of the statute. Accordingly, Applicant respectfully requests that the Examiner remove the indefiniteness rejection in light of the changes to the claims.

Figures 1-4 have been objected to because the Office Action states that Figures 1-4 should be designated by a legend such as "Prior Art" since only that which is old is illustrated and since reference numeral "65A" is not shown in the figures.

Applicant has amended Figures 1-4 to include the legend "Prior Art". Applicant has also amended the specification to provide reference numeral "65", which is clearly shown in Figure 2. Accordingly, Applicant respectfully requests that the Examiner remove the objection to the drawings based on the attached replacement sheets of drawings.

The specification has been objected to because of minor informalities.

Applicant has amended the specification as shown above to address these issues.

Applicant wishes to thank the Examiner for the careful review of the disclosure.

It is believed that the application is now in condition for allowance. However, the Examiner is invited to contact one of Applicant's representatives if there are any outstanding issues remaining.

Favorable action on the merits is requested.

Respectfully submitted
for Applicant,
